*Tenacious is a powerful performance bull that is very attractive with tremendous length and a perfect 10 for tenderness. His calves come easy, are impressively long sided yet deep and full bodied. They are great feeding cattle which is further supported by the fact that he is a TT for the leptin gene. He sired the 2010 National Champion Pen of Bulls in Denver.*

# Charolais Bulls

40W – excellent EPDs in this moderate-framed, attractive Tenacious son out of a Peugeot dam. This has been a dynamic cross for us.

52W is a deep-ribbed, stout-topped Luck of the Draw son. His dam is a 10-year-old proven producer, a top-milking, moderate-framed cow with lots of body that is also the dam of our herdsire, Pirate.

56W's maternal granddam is a full sister to the dam of Tenacious. This nice-made, smooth-shouldered, deep-ribbed and deep-flanked bull is from an easy-calving bloodline.

89W's dam is a nice, easy-keeping, moderate-framed cow that produced a herdsire for Steve Merck, Granville, ND. Lots of length in this powerful herdbull.

91W - look for calving ease and a classic look in this moderate-framed, clean-fronted Tenacious son out of a Pirate dam. He has excellent tenderness markers and is a TT for the Leptin gene.

105W is tied for second in ADG and a real meat wagon. This powerfully made McHenry son is out of a very attractive Western Maverick 4-year-old. He is deep and thick and packs it on!

121W is another fancy-fronted, muscular Dakota Style son whose dam is a young McHenry daughter. He'll add length, performance and eye appeal to his calves.

131W is the high weaning weight bull with a big ribeye. His dam is a daughter of the Duke 99K bull we used on our first-calf heifers for years to add calving ease. He worked.

# Charolais Bulls

155W - Excellent conformation on this big-bodied, high-gaining McHenry son out of an older Compass cow. He's got a stout hip and hind quarter.

167W is the second-high weaning weight bull in the sale and has a whopping 14.74" ribeye. His Uno and McTender genetics are easy calving.

106W - A perfect 10 for tenderness and a deep, stout-made, March performance Tenacious son with a big hip!

197W is a stylish, stout-topped, well-muscled April Dakota Style son that will add beefiness and pizzazz to his calves.

198W is a big-bodied, big-weaning-weight Dakota Style son that sets up square on all four corners. He has that classic "herd bull" look.

80W – Their overall length and balance make these Tenacious sons hard to beat.

199W – Here's a big, long, high-performance McHenry son whose good-milking dam is an own daughter of Cigar. Expect big weaning weights and top performance from his calves.

200W is a young, full-bodied, easy-fleshing Uno son that has a big time weaning weight, a great WDA and a stout hip and hind leg. His dam is a top Frontline daughter.

# Salers & Optimizer Bulls

2W is a powerful red son of Firecracker with the top weaning weight, yearling weight and ADG.

99W - excellent ribeye area in this black polled 5/8 bull out of a good New Design daughter.

139W - A very low percentage, low birthweight, black polled bull with fantastic carcass genetics.

The 2009 National Champion Maine Anjou Get-of-Sire at Fort Worth was sired by Sooner. 15W is a half brother.

# Terms & Conditions

**Terms:** Terms of the sale are cash or check payable immediately upon conclusion of the sale and before animals are moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

**Insurance of Purchases and Risk:** All animals are the owner's risk prior to their sale and become the buyer's property as soon as declared sold by the auctioneer. Insurance will be available when making settlement.

**Bidding:** All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and his decision will be final.

**Health:** All animals will have proper individual health certificates, making them eligible for transport to destinations within the U.S.

**Registration and Transfer:** Please notify us when making settlement if you want registration papers.

**Announcements:** Any errors or changes of information contained in the catalog will be announced from the auction block and such announcements shall take precedence over information contained herein.

**Breeding Guarantee:** All bulls have passed a semen test and are ready to turn out.

**Liabilities:** All persons who attend the sale do so at their own risk and Effertz Key Ranch and Auction Effertz, Ltd. assume no liability for any loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that Auction Effertz, Ltd. and its representatives act only as a medium between the buyer and seller. They are not responsible in any way for any failure on the part of the buyer and the seller to live up to their obligations or for the truth of any warranties or representation, expressed or implied. Neither does Auction Effertz, Ltd. assume any financial obligations to collect or enforce collection of monies between parties. Any legal action that may in exceptional cases be taken, must be between the buyer and seller.

**Contract:** The above terms and guarantee constitute a contract between buyer and seller of each animal sold.

**Mail Bids:** Mail or wire bids may be furnished. Bids must be in the hands of the Sale Management in ample time prior to the sale date and will be handled in strict confidence.

*Thanks for putting your trust in
